What is the market saying about us?

Reviews, social, and ranking sites. External narrative and internal conversation mentions.

Brand Promise Gap AI

Promise made vs. where customers say it breaks — by portfolio type and affected card brands.

All cards 11 | Standalone 4 | Co-branded 4 | Business 3

WE PROMISE	WHERE IT BREAKS	AFFECTED CARD BRANDS	VOLUME + CHANNELS	SENTIMENT IMPACT	IMPORTANCE
Partner travel benefit fulfillment Partner travel benefits	Customers say OneKeyCash, travel credits, and partner booking benefits are not posting clearly. *Expedia / Hotels.com / Vrbo handoff complaints create partner blame-shift.*	One Key, One Key+	286 Voice 28% · Chat 24% · Social 26% · Email 11% · Ticket 11%	-0.48	CRITICAL
Seamless card authorization Card payments	Customers say valid card transactions are being declined or failing at payment. *Card decline language appears across voice, chat, and app review snippets.*	Active Cash, Attune, Autograph, Reflect	218 Voice 38% · Chat 26% · Social 22% · Email 7% · Ticket 7%	-0.49	CRITICAL
Real-time cash rewards visibility Cash rewards	Customers say cash rewards are delayed, missing, or unclear after purchases. *Reward posting complaints appear after statement close.*	Active Cash	196 Voice 35% · Chat 32% · Social 18% · Email 8% · Ticket 7%	-0.52	CRITICAL
Hotel reward night reliability Hotel rewards	Customers say hotel points and reward-night eligibility are not visible after stay completion. *Choice Hotels benefit complaints appear in public reviews and internal conversations.*	Choice Privileges, Choice Select	221 Voice 32% · Chat 20% · Social 24% · Email 12% · Ticket 12%	-0.47	HIGH
Bonus points and elite earn path clarity Choice Hotels rewards	Customers say welcome bonus night math and 5x/10x earn on stays are hard to reconcile with what posts after checkout. *Disputes spike when bonus offers and participating-property lists do not match frontline expectations.*	Choice Privileges, Choice Select	166 Voice 40% · Chat 30% · Social 18% · Email 6% · Ticket 6%	-0.41	HIGH
Low intro APR confidence Low intro APR	Customers are confused by promo APR end dates, balance transfer timing, and interest changes. *Repeat-contact themes spike after first billing cycles.*	Reflect, Active Cash	158 Voice 42% · Chat 28% · Social 18% · Email 6% · Ticket 6%	-0.44	HIGH

Momentum Hashtags

Fastest growing conversation entry points

#RewardScam NEGATIVE
287% Growth · 4,820 posts
Spiking after rewards-program update · most posts cite surprise point devaluation and weaker transfer ratios.

#ChargedTwice NEGATIVE
164% Growth · 3,610 posts
Duplicate-authorization and merchant-hold complaints · amplified after wallet-app outage threads last week.

#TravelPerks POSITIVE
142% Growth · 2,190 posts
Feature shout-outs on lounge access and travel credits · SMB owners comparing issuer perks on X and Reddit.

#CardReplacement NEUTRAL
98% Growth · 1,870 posts
Mix of praise for fast re-issue and frustration over courier delays · volume roughly flat vs prior week.

#BalanceTransfer NEGATIVE
76% Growth · 1,420 posts
Intro APR end-date confusion · heavy skew toward first-cycle-after-promo complaints on Trustpilot mirrors.

#CashbackFlex POSITIVE
58% Growth · 1,120 posts
Competitor campaigns triggering "why is earning capped here?" threads · organic advocacy from heavy cashback users.

Rankings & Reviews AI

Track card-category rank movement across review sites and comparison sites

All cards 18 | Standalone 4 | Co-branded 4 | Business 2

SITE	CATEGORY	PORTFOLIO	OUR CARD	RANK MOVE	#1 COMPETITOR	WHY IT MOVED	INTERNAL ECHO	IMPACT
WalletHub Comparison site	0% intro APR	Standalone	Reflect	#3 → #6 down 3	**Citi Simplicity** 4.4/5	Review update calls out APR expiry clarity and balance-transfer fee	**74** conversations *"calls mention APR surprise and*	HIGH

						confusion.	*transfer fee confusion"*	
NerdWallet Review site	Cash rewards	Standalone	Active Cash	#2 → #4 down 2	**Chase Freedom Unlimited** 4.5/5	Downgrade cites reward-value comparison and delayed cash-back posting complaints.	**89** conversations *"customers mention better cash-back cards"*	HIGH
NerdWallet Review site	Hotel rewards	Co-branded	Choice Privileges Select	#4 → #6 down 2	**Marriott Bonvoy Boundless** 4.4/5	Hotel point posting delay and reward-night eligibility confusion reduced ranking.	**58** conversations *"hotel points missing themes in conversations"*	HIGH
Credit Karma Comparison site	Merchant cash rewards	Co-branded	BJ's One+	#5 → #7 down 2	**Costco Anywhere Visa** 4.2/5	Merchant-linked reward crediting and statement visibility complaints increased.	**53** conversations *"BJ's reward crediting delay mentioned in chats"*	HIGH
Bankrate Review site	Flexible travel rewards	Co-branded	One Key+	#4 → #5 down 1	**Chase Sapphire Preferred** 4.3/5	Travel credit and partner-benefit fulfillment complaints cited in comparison update.	**64** conversations *"customers mention travel credit not posted"*	HIGH
Business Insider Review site	Expense management	Business	Concur Business	#4 → #6 down 2	**Ramp Business Card** 4.6/5	Expense sync reliability and receipt workflow clarity lag competitor tools.	**37** conversations *"business users mention manual reconciliation effort"*	MEDIUM

AI note

External ranking movement is strongest in cash rewards, co-brand travel, and hotel rewards. Internal echo confirms customers are repeating comparison-site narratives in conversations.
