

The pulse first, then today's morning brief, business by business.

Listed customers on the bank's own channels, then public voice. The two are never added together.

Internal channels

External channels Public · live

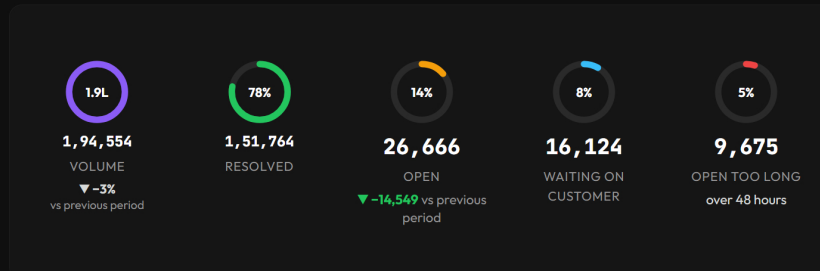

All customer contact: the bank's own channels and public voice.

Overall contact volume **1,96,610**

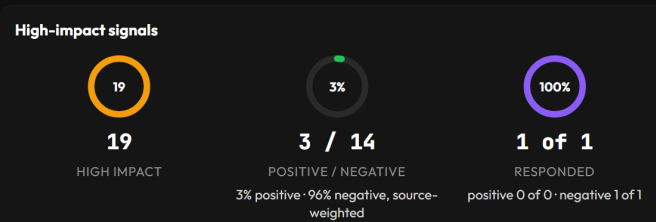

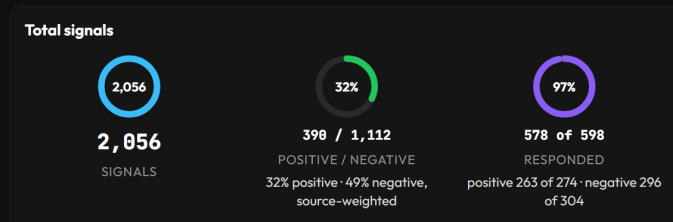

- Internal 1.94.554 (99%) · ● External 2.056 (1%)
